

Re. Case
19-23649
RDD

To the Honorable Judge
SEAN H. LANE

Dear Judge Lane thank you
for extending time for me & for
Mediation, I hope I have not
caused the Court problems
because that was not my
intentions, the reason for this
letter is to inform you that
I cannot afford to pay
the mediation cost or any
filing fees. I really do not
understand the Courts Rules,
Sections Etc., I never even
knew that I was receiving
emails until late Dec. 2023
& then I started to try to
find out what I had missed,
& then in Feb, 2024 I rolled my
pick up & was hurt really bad
& I'm in a lot of pain so this
has been really hard for me.

I do not want to bother
you with my problems so
I will get to the point
I have tried hard to find
a lawyer to help me
understand everything but
can not find one. I really
want this case, the Endo
Case + the others it has been
over 4 years since these
started + I just want them
over with, I have missed
all deadlines and other
information I needed, I will
take a lesser settlement
the only reason I put \$10⁰⁰⁰.000⁰⁰
on my original claims is
that the lady on the phone
ask me what my son's death
was worth.

Thank you for taking the
time to read my letter
& I would Really
Appreciate how you have
tried to help me, I wish
everyone in the court was
as nice as you.

P.S. I have no idea what
my claims are doing in the
court & I would really like
to know.
